

## REMARKS

The single claim has been replaced by a new independent claim 2 drafted in accordance with U.S. practice. Additional, dependent claims 3-6 have been added directed to various features of the various additional features of the invention.

A substitute specification and abstract is submitted herewith to place the case in proper form. The "Substitute Specification and Abstract" contains no new matter. Additionally, a marked-up copy of the original specification and abstract is submitted herewith to show the changes made in drafting the "Substitute Specification and Abstract". Description of the drawings has been added as appropriate, corresponding to the language of the new claims.

Additionally, four (4) replacement sheets for drawing Figs. 2, 5, 7 and 8 are submitted herewith.

Respectfully submitted,  
Bacon & Thomas
